About Great-West Life

All PlanDirect policies are insured by The Great-West Life Assurance Company. For more information about Great-West Life, please visit *www.greatwestlife.com*.

This booklet contains the rates for all five PlanDirect plans:

- Value
- Advantage
- Premier
- Basic
- Comprehensive

The rates you pay are based on a number of factors, including:

- your province or territory of residence
- your age
- the plan you select
- the type of coverage you require (single, couple or family)
- the optional benefits you choose
- whether you have similar prior coverage within the last 60 days
- the rate category you qualify for (see below)

Based on your medical history or that of a family member, your premium may be subject to an adjustment at the time of purchase.

Rates in this booklet are valid for policies issued with an effective date of January 1, 2010 or later and for a period of one policy year, and are subject to change without prior notice.

DETERMINING YOUR RATE CATEGORY

Applicants with prior coverage

The following three rate categories are available to you if you are **age 50 to 75** and have had coverage similar to the PlanDirect coverage you are applying for within the last 60 days.

Preferred Plus Rates – Please use our Preferred Plus rates if you have had similar coverage within the last 60 days, and **can answer No** to the two medical questions on the medical and lifestyle questionnaire on the application form.

Preferred Rates – Please use our Preferred rates if you have had similar coverage within the last 60 days, and **answer Yes** to the two medical questions on the medical and lifestyle questionnaire on the application form. Upon review of your PlanDirect application, if we determine that you do not qualify for Preferred rates, you will still qualify for coverage on a guaranteed acceptance rate basis.

(continued)

Guaranteed Acceptance Rates – Please use our Guaranteed Acceptance rates **only** if you are **age 50 to 75**, you have had similar coverage within the last 60 days, and you choose not to complete the two medical questions on the medical and lifestyle questionnaire on the application form.* The Enhanced Prescription Drug Option is not available to applicants who are in the Guaranteed Acceptance Rates category.

** We recommend all applicants complete the medical and lifestyle questionnaire as you may qualify for Preferred or Preferred Plus rates.*

If your group benefits plan had:	You can choose from these PlanDirect plans:
Health coverage only	Value, Basic or Advantage
Health and dental coverage	Value, Basic, Advantage or Comprehensive
Health and dental coverage, including major restorative dental	Value, Basic, Advantage, Comprehensive or Premier (all plans)

Applicants without prior coverage

The following rate category is available to you if you are **age 50 to 70** and have not had coverage similar to the PlanDirect coverage you are applying for within the last 60 days.

Standard Rates – Please use our Standard rates if you **have not** had similar coverage within the last 60 days.

You must complete the two medical questions on the medical and lifestyle questionnaire on the application form. Great-West Life reviews information required on the medical and lifestyle questionnaire, which forms part of the application for underwriting purposes. Based on your or a family member’s medical history, we may decline coverage, or adjust the premium charged for coverage.

The Premier Plan and the Major Dental Services and Supplies option are not available to applicants who are in the standard rate category
